

Annual Faith Forum a great success

We held our annual Faith Forum luncheon on January 30 at Trinity Lutheran Church in North Branch. More than thirty area faith leaders participated in the forum. Those in attendance enjoyed an interesting program including an inspirational presentation by John MacDougall, Director of Spiritual Guidance at Hazelden. Scenes followed by discussion were presented by Trinity (Lindstrom) Lutheran’s Improv Troupe Vital Impact and complemented Dr. MacDougall’s presentation. A question and answer session between the faith leaders and a student panel comprised of Chisago County high school students rounded out the program. The final portion of the forum included a workshop in which participants shared information about activities already in place within the faith community. The participants also explored ideas to help the faith community focus on ATOD prevention within their existing programs. Thanks to Trinity Lutheran Church in North Branch for opening your doors to Partners for a Drug Free Chisago County.
